

A Prayer for Women's Ministries

Most awesome God, women are and have always been among the first to volunteer, the first to organize, and the first to use their network of friends in Christ to accomplish good works. We give you thanks for bringing us together – women who are willing to contribute their considerable skill to the advancement of your church and to the world.

We ask that you support and guide us, and allow each of us to be strengthened by the inspiration of our sisters. All this we ask in the name of the Father, Son and the Holy Spirit.
Amen

*The Rev. Peg Williams,
ECW Chicago Chaplain 2012-2015*
